We're proud to carry wine from Chateau La Paws, a winemaker whose labels feature shelter dogs and who donates to No Kill Organizations around the country. In 2015, they donated \$100,000 to North Shore Animal League to support their efforts finding homes for shelter dogs. Following their example, when you buy a bottle of Chateau La Paws from us, we will donate all profits to **Coco's Heart Dog Rescue** (located across the alley from us) to help area rescue dogs find their new homes.
